

Mint of the United States at Philadelphia,

MELTING AND REFINING DEPARTMENT,

Philadelphia, 30th December, 1880.

Sir,

It becomes my duty to ask for the discharge of James C. Smith, a helper in the Melter and Refiner's department of this Mint. The suspicion to which his observed action gave rise some time since is confirmed by what I have learned from undoubted sources of his former course of life. Since the action I propose is not penal, but precautionary, I would prefer the avoidance of publicity for the sake of the man.

Very respectfully
